

DEPARTMENT OF ENVIRONMENTAL MANAGEMENT
INDIANAPOLIS

OFFICE MEMORANDUM

Date: May 23, 2003

To: Water Pollution Control Board Members

From: Tim Method
Deputy Commissioner

Subject: Cancellation of the June 11, 2003 Water Pollution Control Board meeting.

There are no rulemaking actions scheduled for June. After consultation with members of the board, the next scheduled meeting of the Water Pollution Control Board will be July 9, 2003. A draft agenda is attached.

At the July meeting, a Board discussion with public input is being scheduled for: 1) CAFO NPDES General Permit Rule and 2) Combined Sewer Overflow Sewer Construction Requirements. In addition, there will be a presentation by the Indiana Mineral Aggregates Association on mineral aggregate industry specific regulatory issues for addressing the permitting of storm water runoff from permanent, industrial facilities. The Allen County on-site discharging wastewater treatment system rule may also be scheduled for final adoption, though that is more likely for the August meeting.

The July meeting will be held at its regular location:

Indiana Government Center South
402 W. Washington Street
Conference Room A
Indianapolis, IN
July 9, 2003
1:30 p.m. E.S.T.

See you in July.
